## HOW TO OPERATE STRONIC SURF

### BASIC

- On: Press **FUN** down for half a second.
- Off: Click **FUN** again. **STRONIC SURF** will turn off immediately.
- Once **STRONIC SURF** is on, click **+** for higher intensities and rhythms.

### TRAVEL LOCK

- Lock: Press **-** and **FUN** simultaneously.
- Unlock: Press **+** and **FUN** simultaneously.
- In both cases, the buttons will blink and the unit will buzz briefly.

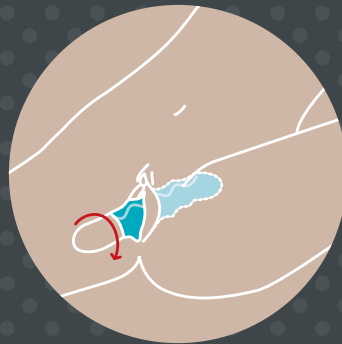

### CHARGING

- Max. 8 hours initial charge
- 45 minutes continuous play on highest setting

#### DO YOUR KEGELS

The **STRONIC SURF**'s ripples give your muscles something to hang onto! Try tightening and loosening your PC muscles around the **SURF** to see what sensation you like best.

#### GO THE OTHER WAY

Try flipping the **STRONIC SURF** upside-down for more pressure on the perineal sponge.

#### GET THAT VIBE

Like extra strong orgasms? Pair the **SURF** with your favorite vibrator for a combination climax.

## REASONS TO LOVE FUN FACTORY

- All toys are made in Germany in our clean, safe factory
- Designed, produced, and packaged under one roof – one of the smallest carbon footprints in manufacturing
- Regulated to ensure that products and materials comply with EU standards for safety, health, and environmental impact

Made in  
Germany
